Dear Foundation Members:

*We are so very sorry that you did not receive our first letter in the mail.
Below is the letter which went out. I am deeply saddened that you did not
receive our grateful thanks.*

It was with great satisfaction and awe that we received such a generous donation for you foundation to assist one of our families in their need. Enabling the Primavera Family to send their children to learn about God which continues to foster and keep alive the message that Joshua would have wanted. We at St. Anthony's Office of Religious Education extend to you our heartfelt thanks.

In God's Peace
Deacon David Shapiro
